We will be using two buildings, a short walk apart in the village of Kegworth. This affords us the space to run the Treasurer's seminar and to give a separate room to each syndicate. This will mean that there are times during the day when we ask you to change buildings.

As you can see, the agenda is full to bursting with what we hope will be useful and interesting topics. We will therefore be relying on you to join in with the spirit of the day by changing venues promptly, when requested to do so.

Thank you for your co-operation.
