

**BGA Motor Gliding Seminars
Lasham 7th & Gransden Lodge 8th November**

The programme for these seminars has now been finalised.
Content will be the same at both venues, although running order may vary.

Start 10am, Finish 4pm

Everyone is welcome.

They will be of particular interest to experienced MG pilots and instructors. A particular welcome will be offered to 'pure' gliding instructors responsible for supervising MG flying.

- > VFR Navigation With GPS – David Cockburn: Royal Institute of Navigation
- > Progress & Developments in the Motor Gliding World
- > CAA's FI(SLMG) Course report
- > "So That's What Threat & Error Management Means" - Steve Oddy; CAA
- > 2009 MG Safety Record, or lack of it
- > Hertfordshire Air Scouts

There will be time to discuss issues raised on the day.

We need a clue about numbers; please e-mail andy@asmiller.freeserve.co.uk if planning to attend.
