

# **Collision Avoidance**

Adapted from an FFVV presentation

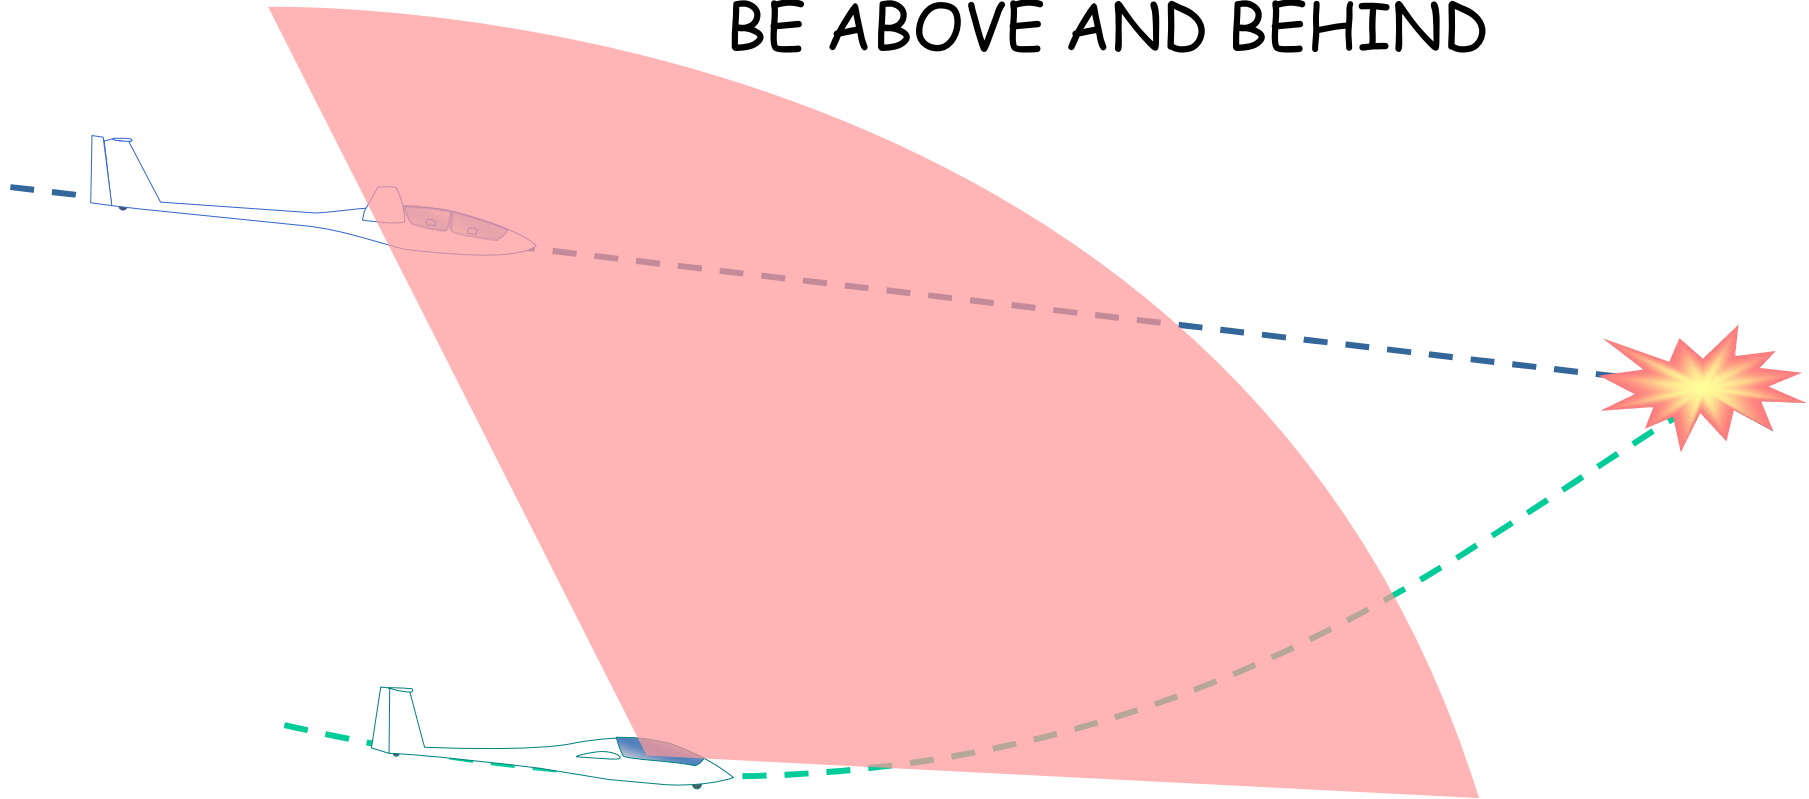

21/05/2010

**NEVER CUT INTO ANOTHER GLIDER'S TURN**

IN A PULL UP SITUATION,  
THINK ABOUT WHAT MIGHT  
BE ABOVE AND BEHIND

FLARM or other warning devices do not exempt you from looking out!

# Further Info

Lookout considerations are detailed in the BGA Instructors Manual and in 'Bronze & Beyond', the BGA recommended bronze study guide

Detailed advice re pilot safety considerations is available at

[www.gliding.co.uk/bgainfo/safety/bulletins/pilot-briefing-guidance.htm](http://www.gliding.co.uk/bgainfo/safety/bulletins/pilot-briefing-guidance.htm)
