British Gliding Association

BGA 271 Transition Equipment List

File ref:	
Page No:	Total pages in pack:

This form is used for glider equipment list declaration at time of transition from BGA C of A to EASA C of A. it should be noted that non declaration of existing equipment could invalidate the C of A.
Include all standard and optional instruments and equipment.
For dual seat gliders position 1 is front/left, position 2 is rear/right, for single seat use “1” unless dual instruments are fitted.

BGA Number	Registration G-	Type
