

# Engineering News Special Edition

Welcome to this special edition of Engineering News. We hope you like the new look, using the brand-new BGA identity. You will gradually see the new logo and layout on all our publications.

## Office Move

The Leicester office is moving as announced by the BGA Chairman, Patrick Naegeli in the Aug/Sept 2010 edition of S & G. During the move there will be the inevitable disruption to normal service; however we have made arrangements to keep this to the absolute minimum.

The office will close for business at 16.00 on Thursday 12 August and re-open in the new premises at 08.00 on Tuesday 17 August. During the two working day closure the office telephone number and email will be out of action and on the re-opening there will be a new telephone and fax number.

The New address (after 17 August 2010) is:

British Gliding Association  
8 Merus Court  
Meridian Business Park  
Leicester  
LE19 1RJ

The new office telephone **0116 289 2956**  
The new office fax number **0116 289 5025**

Please do not use the new address or fax until after we have moved as there is a possibility that the item will not be delivered. We have arranged a post forwarding service for items sent to Kimberley House.

## ARC Renewals During Office Move

**We will not be processing ARC renewals during the office move.** It is essential that if you need an ARC processing that you get it to us before **Tuesday 10 August 2010** to allow us time to process it. We advise not posting items to us to arrive during the office move. Normal service will resume on 17 August 2010. After 17 August 2010 please use the new address as there may be some delay if mail has to be redirected from Kimberley House.
