

BGA Club Record of Gliding Flight Training

This record of flight training is designed for club use to help to ensure that an accurate record of a pilots training exists. Once complete, it should be kept on file by the club that completed the training. A copy can be given to the pilot.

This does not replace the training record card which should be referred to ensure that each syllabus item of the BGA 'A' Certificate and Bronze and Cross Country Endorsement recorded below has been taught.

Pilots Name:

Address:

Phone Number & E-Mail Address:

Gliding Club:

Phase 1 – BGA Solo (A) Certificate

Ex	Description	Date Completed
	Familiarisation and ground safety	
5	Lookout	
7	Effects of controls	
8	Use of trim	
9	Straight glide	
10	Turning	
11	Airbrakes (and/or spoilers)	
12	Approach control	
13	Landing	
14	Circuit planning	
16	Wire launching and wire launch failures
