

## **Other Governance Conference Sessions** *Forum sessions run 09.00 - 12.00*

These sessions are designed for specific types of club volunteer.

The three morning Forum sessions will run from 09.00 - 12.00 with a ½ hour break for coffee at 10.45am. The Child Protection Workshop will run from 15.00 – 17.00.

### **Operations Forum in the Holywell Room - for Club CFI's or their deputies**

#### ***Lead - Andy Miller***

Andy is the BGA SRE Self Launching Motor Gliders and a member of the BGA Future License Working Group. He flies an ASW20 from Bannerdown GC.

Delegates will spend the morning discussing:

- Club based considerations for future EASA licencing and operations requirements
- Ultralight gliders – fitting in

### **Marketing in the Green Suite - for club marketing members and other management**

#### ***Lead - Svend Elkjaer***

Svend, who is not a glider pilot but has visited a few, is the Director of *The Sports Marketing Network, the Network for people involved with the commercial, community and marketing issues across all sports.*

Delegates will spend the morning discussing

- Grow Your Gliding Club
- How to make your club vibrant, visible and viable

The session includes club management aspects of marketing.

### **Treasurers in the Ettington and Paxford Room - for club treasurers**

#### ***Lead - John Birch***

John is the BGA Treasurer and a member of the BGA Executive Committee. He is an instructor and flies a Duo Discus from Cambridge Gliding Centre

Delegates will spend the morning discussing

- 'Treasurer and club software needs'
- 'Insurance issues'
- CASCs – making the most of Gift Aid
- 'Q&A – sharing good practice'

### **Child Protection Workshop in the Holywell Suite 15.00 – 17.00**

#### ***Lead – Phil Burton***

Overview of all Child Protection Issues and updates. This session is not only for designated Child Protection Officers and Deputy CPOs, but also for committee members and people in positions of responsibility such as instructors or those that run the club's youth flying scheme.
