

Competition Ratings for 2018

As per section 6 of the BGA Competition Rulebook (2017) the results of all competitions that pilots have flown during 2017 are amalgamated to form the ratings list which will be used to prioritise entry into national competitions in 2018.

Pilots can view their rating in the table below.

The ratings list is published provisionally along with the spreadsheet used to calculate the ratings to allow pilots to check how their ratings were calculated and request clarifications or corrections where appropriate. There are some notes below on how pilots can check their ratings. It is important that pilots understand they do NOT have to understand how the ratings system works to be able to check their rating.

If you do not intend to fly a Nationals next year then you do not need to worry about your rating as it is only used to give priority to Nationals if entries are over-subscribed.

If you believe that your provisional rating is incorrect, please send appeals to Paul Crabb at paul@crabb.biz with a summary of the problem. To enable the competitions priority lists for 2018 to be drawn up we need pilots to lodge an appeal by the 1st of January, 2018.
