Please note that the above results are for National and International championships in 20m Multi-Seat Class and also top 5 placings in all other British Nationals classes. Eligible pilots may well have flown International events and Nationals in other classes not highlighted here. 4608
Additional data on alternative class participation may be found by clicking on an alternative class tab in this spreadsheet or by visiting the IGC ranking list at www.fai.org/glding/rankings where each pilot's results in all classes individually including restricted International events may be viewed.
